

Regional Role of Institute

Example: Emerging Regional IT Cluster

- Regional brain drain: over half of school leavers leave the north west
- Perception that university education is more valuable
- Reality of move from RTCs to ITs still not clear
- Need for re-branding

Serving Remote Areas

- Best in Class award for Online Learning
- 2,500 students
- Scope for collaboration with ETBs

Supporting Enterprise

- 30 companies in Innovation Centre
- >300 companies helped to get started
- Partnership with Letterkenny IT, LEOs, Enterprise Ireland
- Support to GSK in Sligo

Supporting wider innovation
